Guaranteed Payment Program

Dedicated Carriers Inc. is proud to inform you that we are members with the Transportation Intermediaries Association (TIA) and Avalon Risk Management in a highly exclusive program known as the Guaranteed Payment Program (GPP). TIA members are dedicated to the highest level of ethics and adopt strict best practices by adhering to the Platinum Performance Program (P3).

Dedicated Carriers Inc. has coverage of \$100,000.00 through the GPP program and is 1 of only 30 in the World to carry this additional coverage which is less than 1% of Brokers, Forwarders, & other 3PLs.

Q: What is the GPP?

A: The GPP is a program that offers a competitive advantage to transportation brokers by providing a guarantee of freight payment to carriers, shippers and other third-party logistics providers in excess of the \$10,000 bond required by the Federal Motor Carrier Safety Administration (FMCSA) to conduct business. This bond is not intended to pay cargo claims.

Q: Why is this excess coverage important?

A: Consider the below claim situation where a licensed property broker defaulted on payments to multiple carriers resulting in claims from both the shipping and trucking community:

A property broker is forced to close his business because of mismanaged funds. Within several months, almost 300 claims were filed against the property broker's \$10,000 FMCSA bond. The claims totaled \$1.3 million and were paid on a pro-rata distribution basis. Claimants waited almost nine months before receiving a payment of only pennies on the dollar.

Property brokers that maintain a larger bond amount demonstrate stronger financial backing and a commitment to the shipping and carrier community. Already, the credit agency that provides ratings to the three largest freight boards provides a higher rating to GPP bond holders.

Q: Who is eligible for participation in the GPP?

A: Participants must be a TIA member and join the TIA Platinum Performance Program (P3) – a contractual best practices agreement for transportation companies who want to achieve a superior level of customer service and performance. The P3 adds a higher level of trust to the broker/forwarder-motor carrier relationship, and the GPP enhances the relationship even further.

Applicants must also obtain the required \$10,000 financial guarantee from AMTEX, a division of TIA Services Corporation. A GPP application must be completed, along with a signed indemnity agreement. A financial and insurance review will be conducted to determine a company's qualifications for the options of the \$15,000 or \$90,000 additional bond limit. A company's financial strength and their exposure to business risks are considered in the underwriting process. Underwriters look for tangible net worth coupled with sustainable cash flow. Risk is assessed based on an applicant's business risk, size and how well this risk is mitigated through the use of insurance.

Q: What does this mean for you?

A:

- Peace of mind that the 3PL is part of the industry's elite.
- Peace of mind that the broker/ 3PL adheres to the strict TIA Code of Ethics and best practices doctrine.
- Peace of mind that the broker/3PL has a guarantee bond up to \$100,000.
- Peace of mind from increased bond payments to carriers.

Attention: Accounts Receivable / Billing Department

Subject: Payment Terms, Invoicing Procedures, & Quick Pay Options

Dear Valued Carrier;

Dedicated Carriers Inc. standard payment terms are 30 days from the receipt date of the invoice, all proper bills of lading with their signatures, and the rate confirmation. All paperwork received is date stamped to ensure accuracy of the aging process.

In our efforts to convert over to a paperless system, we have enacted various procedures which can tremendously benefit both your company and ours. To help expedite the processing of your invoices, **you can now either fax all required documents or email them directly to us and that invoice(s) will be processed the same day.** This will not only save time with processing your invoice, but also money by not having to pay postage on a constant basis. **We no longer require the original Bill of Ladings via mail, but they must still be legible after they are electronically sent to us.**

As a reminder to ensure prompt service we need the following legible documents:

- *The Invoice*
- *All proper Bill of Ladings with signatures*
- *A signed copy of the Rate Confirmation sheet*

Another service that we are offering to you is our Quick Pay Program. With this service, you may elect to receive your invoice payments at a shorter length of time than our standard 30 day policy. This service includes **3 different options:** We can issue your payment check the next business day for a 6% fee, with 7 days for a 5% fee, or a 15 day check at 4% of your invoice amount. For more information and paperwork for our Quick Pay program, please contact me at your convenience.

Upon request, I can set up your company to access your account on our website to view current listings of available loads, retrieve documents, and check payment status and retrieve check numbers on paid checks.

Thank you and we look forward to a successful future with you.

Michal Gregor
